NORTH AMERICA map

Our popular **NORTH AMERICA** map has fun activities that support your curriculum:

- Label countries, capitals, territories, provinces and cities
- Label bodies of water, including oceans, gulfs and bays
- Draw and label mountain range and rivers
- Fun, easy-to-use Map Key

Do you wish your students had the chance to do more "hands-on" work?

Students benefit -- a refreshing change from digital learning!

Studies show students are losing out by not using their hands for writing!

Stimulate and excite your students with maps that combine coloring/labeling with history and geography learning!
